

## Week #2: The Rhythms of the Church

*They were devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. Reverential awe came over everyone, and many wonders and miraculous signs came about by the apostles. All who believed were together and held everything in common, and they began selling their property and possessions and distributing the proceeds to everyone, as anyone had need. Every day they continued to gather together by common consent in the temple courts, breaking bread from house to house, sharing their food with glad and humble hearts, praising God and having the good will of all the people. And the Lord was adding to their number every day those who were being saved.*

Acts 2:42-47 (NET)

### Gather, grow, group, give, go:

- Gather: \_\_\_\_\_.
- Grow: \_\_\_\_\_.
- Group: \_\_\_\_\_.
- Give: \_\_\_\_\_.
- Go: \_\_\_\_\_.

**The Big Idea:** The \_\_\_\_\_, but  
the \_\_\_\_\_.

## Discussion Questions

1. For many people, one or more of the various rhythms of the church (gather, grow, group, give, go) feels more natural than the others or functions as a particular interest. For example, some people really love to grow in their faith through discipleship but feel less comfortable with the idea of going out and sharing their faith with others. Of the five rhythms, which one comes easiest for you? Which one is hardest?
2. In what ways do you think your faith would deepen if you committed to practicing all five of these rhythms?
3. Over the years, the church has needed to change the methods it uses pursues each of these rhythms. For instance, the church may change the kinds of songs that are used in worship, the kinds of studies that are used for discipleship, or the way that's chosen to talk about faith with the wider world. Do you find that kind of change difficult? Why or why not?
